Moorfields Undergraduate Education Team present

## **Patient-as-Teacher Symposium**

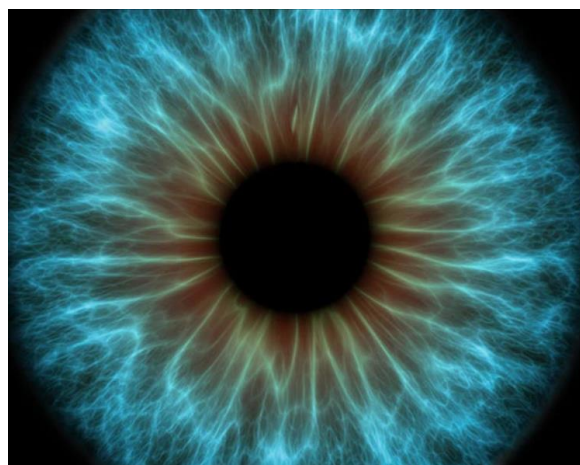

### **Facial nerve palsy causing exposure keratopathy**

Calling all medical students, nurses, doctors, orthoptists, technicians, researchers and other healthcare professionals...

**WEDNESDAY 14<sup>th</sup> May 2025    2pm-4.30pm: ONLINE**

#### **MEET OUR PATIENT**

Join our patient with **Facial nerve palsy causing exposure keratopathy** as he walks us through his life's journey and shares insights from a patient's perspective, with key messages to improve patient care amongst us involved in healthcare.

#### **EXPERT LECTURES**

Following the patient's interview, there will be a short lecture on the topic delivered by an expert in the field.

#### **WIN A £50 AMAZON VOUCHER**

Submit a reflective piece (essay - 500 words max, poem, drawing, video, graphic, song, etc) after the symposium for a chance to win this prize!
