

**CENTRE FOR MEDICAL EDUCATION
QUEEN'S UNIVERSITY BELFAST**

Location Information & Key to Venues for Welcome Week

The primary teaching site for Medical Students is based around the Medical Biology Centre (MBC), Lisburn Road (bottom of Elmwood Avenue).

Some teaching activities will take place on the Main Campus in locations such as Whitla Hall, Elmwood Hall or Physics Larmor Lecture Theatre. You will be encouraged to familiarise yourself with these locations.

Please see location information and key to venues below.

Clinical Skills Education Centre (CSEC)	The Clinical Skills Education Centre (CSEC) is located on the 2 nd floor of the Medical Biology Centre (MBC).
Elmwood Hall	The Elmwood Hall is located on Elmwood Avenue and is adjacent to the Students Union.
Medical Biology Centre (MBC)	Medical Biology Centre (MBC) – within the MBC there are many teaching rooms and lecture theatres. Anatomy laboratory, dissection rooms and the Clinical Skills Education Centre (CSEC) are all located within the MBC.
Maths & Physics Teaching Centre (MAPTC)	The Physics Larmor Lecture Theatre and the MAPTC Seminar Room OG/006, are located within the Maths & Physics Teaching Centre which is on the Main Campus, QUB – adjacent to the South Dining Hall
Whitla Medical Building (WMB)	Whitla Medical Building (WMB) is located directly behind the Medical Biology Centre (MBC). On entering the MBC proceed straight ahead to exit doors leading to covered walkway to the WMB. Small teaching rooms are located here.
Whitla Hall	The Sir William Whitla Hall is located on the Main Campus, QUB – it is located to the right of the main Lanyon Building.
